SOPHOMORES, A NEW BEGINNING . . .

Bake sales, a skating party, and car washes were sponsored by the Sophomores to raise money for their class. The Sophomore boys lost to the Seniors in their annual tug-of-war. As a result, the girls had to wear their horns an additional week. The Class of '78 produced a homecoming float with the theme "Devils Hath No Mercy."

STUDENT LIFE

Friendship's like a sunrise
That steals across the sky;
It grows ever stronger
As the time passes by.
For each new day is a gift of life
To be shared with those we meet;
Laughing in the sunshine
And making it complete.

A CINDERELLA STORY? NOT REALLY!

For the Red Devil basketball team, 1975-76 has been one of the most productive and most memorable in recent years. In fact, not since 1961, has a Devil basketball team made it past the second round, nor even placed in the post-season CIF playoffs. However, the Devils did play in as many games as a team could and finished fourth in the county. The dream of playing in the Sports Arena was realized, the chance to play where many dream they may someday play.

So the beginning of the long voyage started for Su-Hi after a successful summer league. The Devils were ready for regular season play. Even before the season began, they were ranked among the top ten in

practically all of the newspaper polls. Yet, the road is not without its ups and downs, and at times is bumpy. Somehow the team and Coach Zarecky made it through the bumps and finished the season at 9-5 in the league, a tie for second place, and 16-11 overall. The Devils wrapped up their Metro League season winning 6 out of 7 of their last games. However, Marian won a playoff from Su-Hi, and so heading into the CIF playoffs, we were seeded number 3. The Devils first faced Morse and beat them handily 74-62. The following night Su-Hi squeaked out an 80-77 decision over Lincoln, so it was on to the CIF quarter finals.

The Devils outlasted Fallbrook in a triple

overtime, 80-77. In this game, 68 of 77 points were scored by Tom Vance, Dewayne "Cool" Logan, and Vic Edwards.

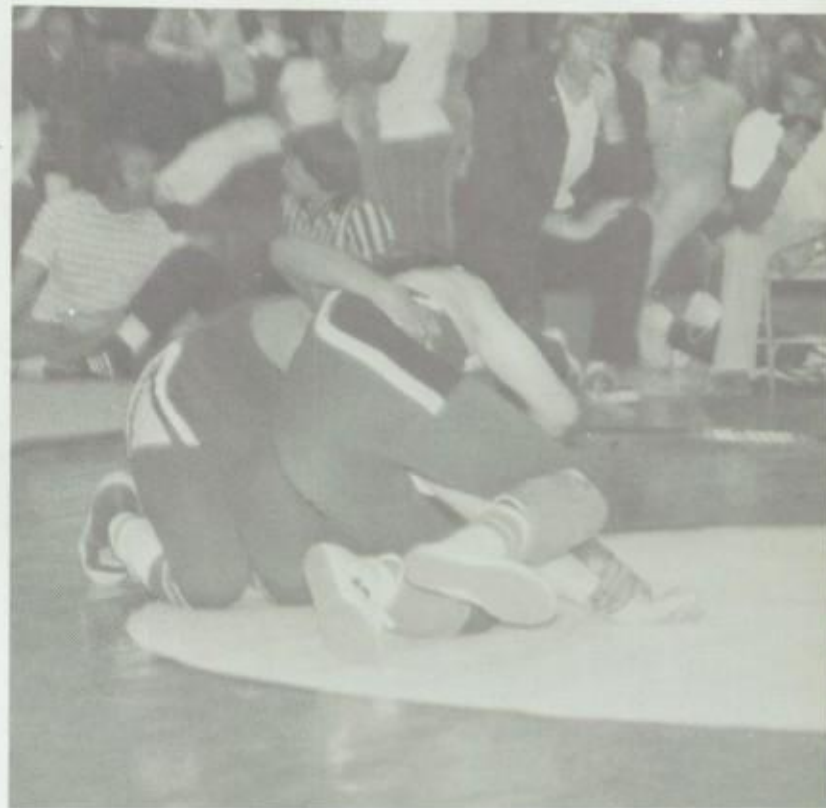

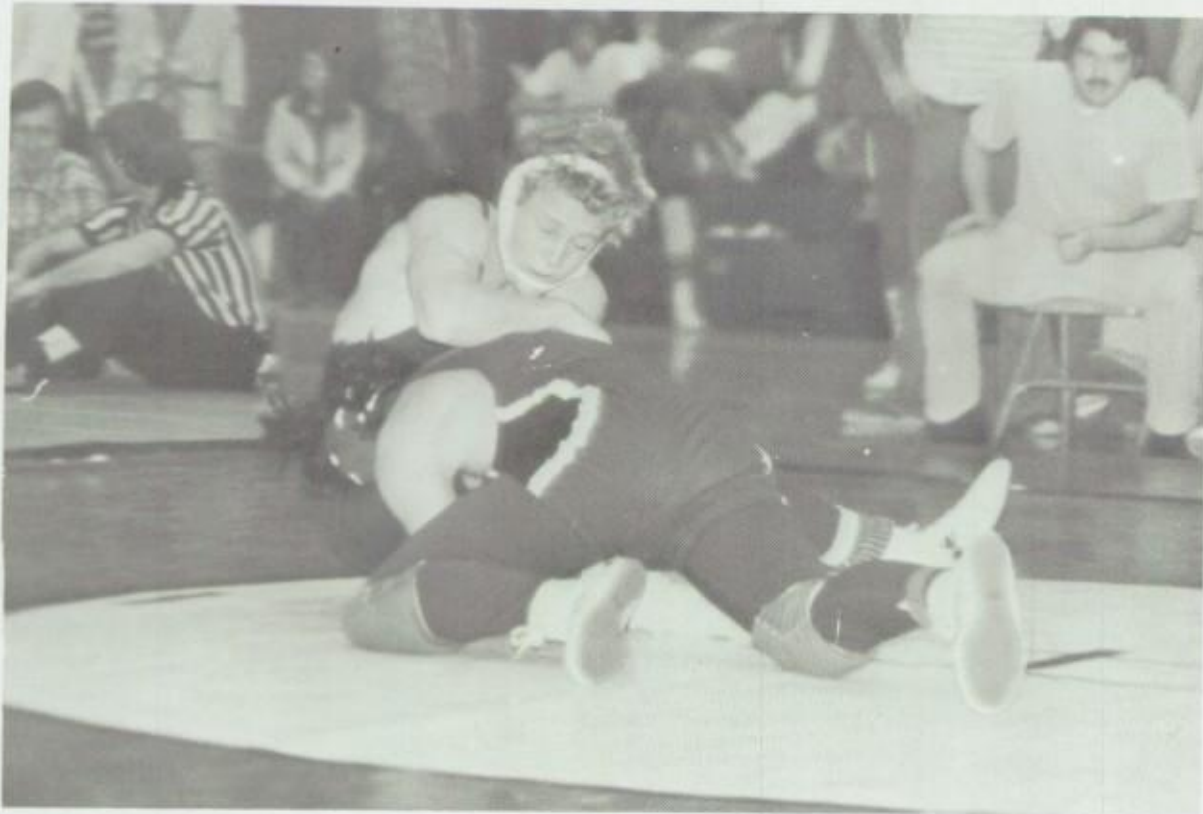

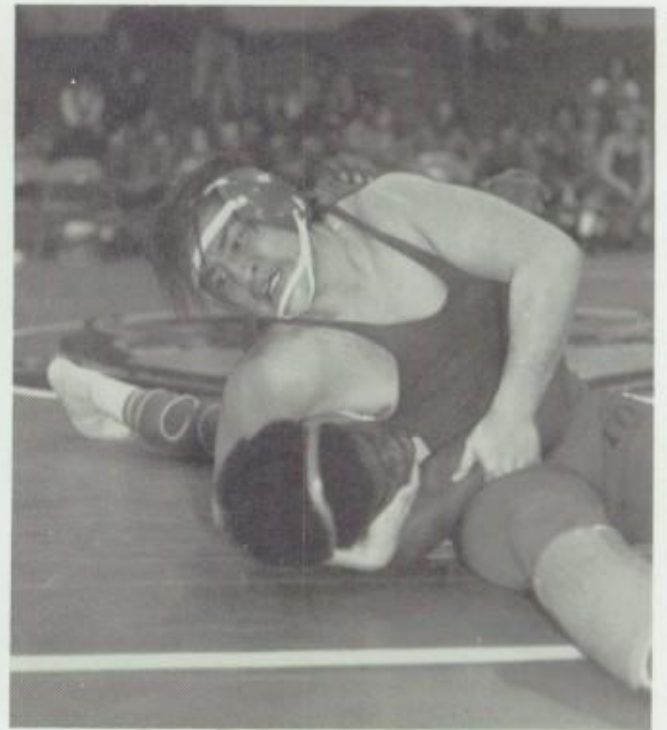

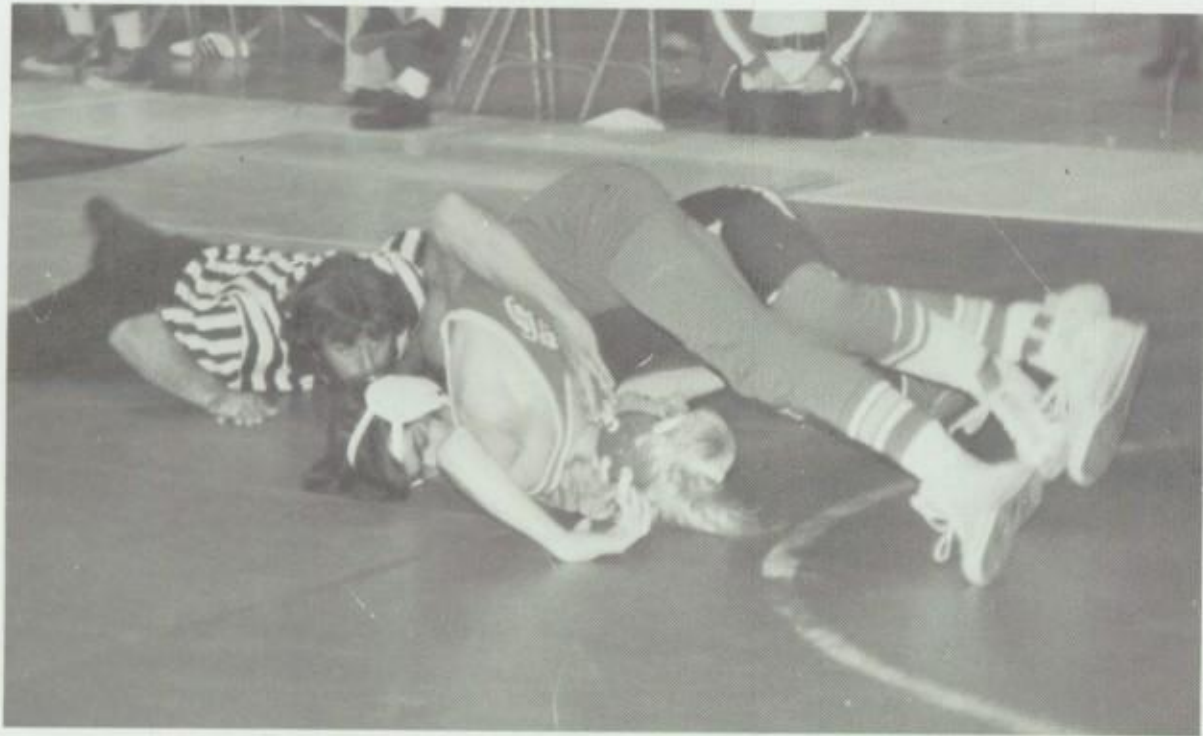

The Devils faced Kearny, the number one seed, in the Sports Arena. The Komets separated the Devils from their glass slipper, beating them by 19 points.

Su-Hi played Chula Vista for third, but came up on the short end of the score. However, they finished 19-13, a lot higher than they were expected to. But was it such a surprise? We hardly think so, since we have seen this team since they were sophs. We salute you, Coach Zarecky, because they represent the spirit and talent that Sweetwater has!

TRACK TEAM DISPLAYS TALENT AT MEETS

PRINCIPAL RETIRES AFTER 35 YEARS IN EDUCATION

Thirty-five years of Mr. Milford Walden's life has been spent helping young adults get a better education. He taught for six years in a private school before coming to the Sweetwater Union High School District. Since then he has served as a teacher, ASB advisor, counselor, vice-principal, and principal at National City Junior High, principal at Granger Junior High, and principal at Sweetwater High School.

Mr. Walden is a native of Missouri. When very young, he moved to California with his family and attended local schools. He received his teaching degree at San Diego State College.

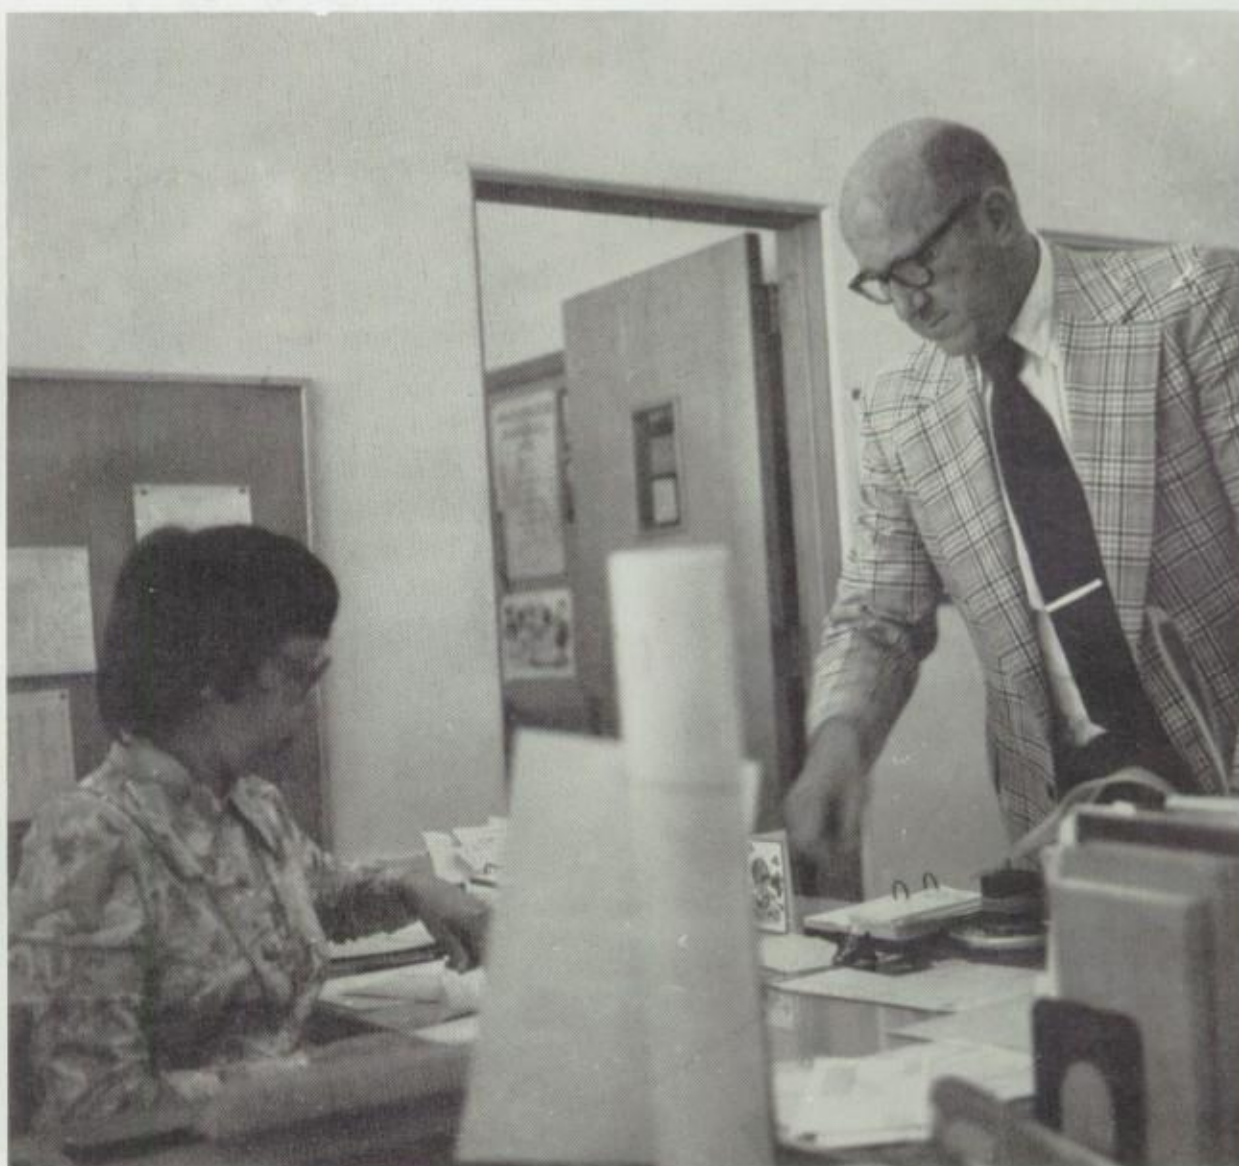

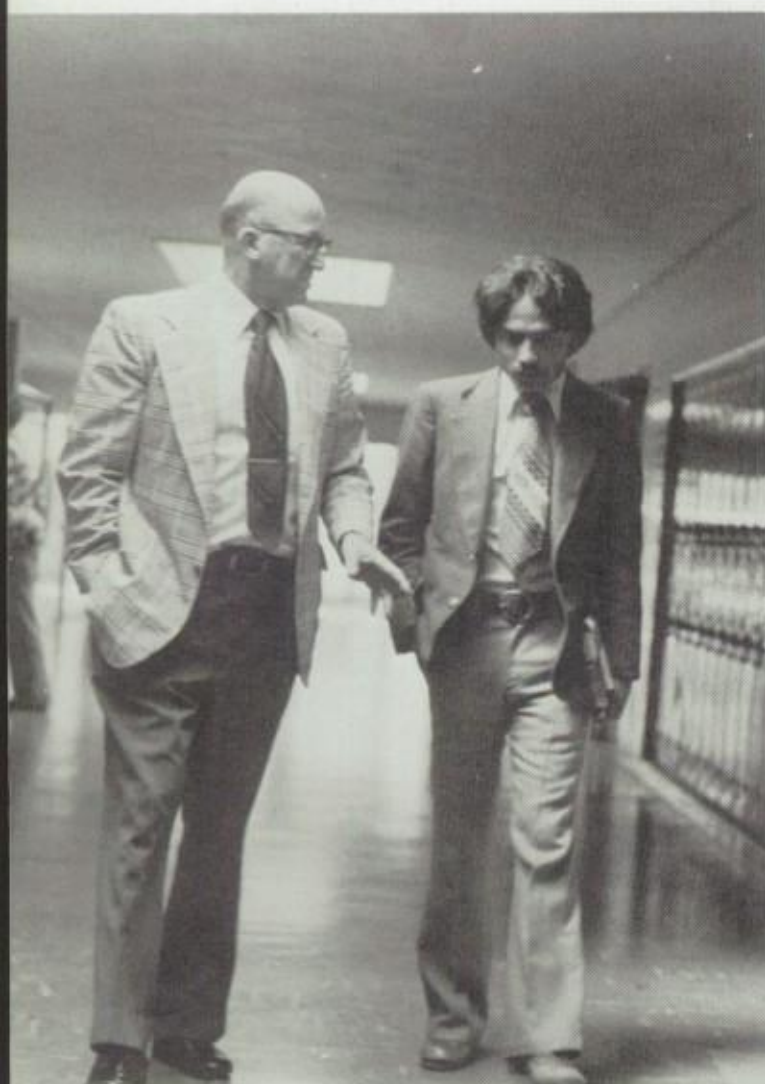

We, the student body at Sweetwater High School, would like to thank him for all his time and effort spent in making our school district one of the best. We wish him the best of luck in the many years to come.

"I have enjoyed the years I have been in the Sweetwater Union High school District, and the time I have been at Sweetwater High School has been most rewarding.

I shall remember the enthusiasm of the students and the dedication of the staff. The sound of cheering as we marched together to the C.I.F. playoffs will be difficult to forget.

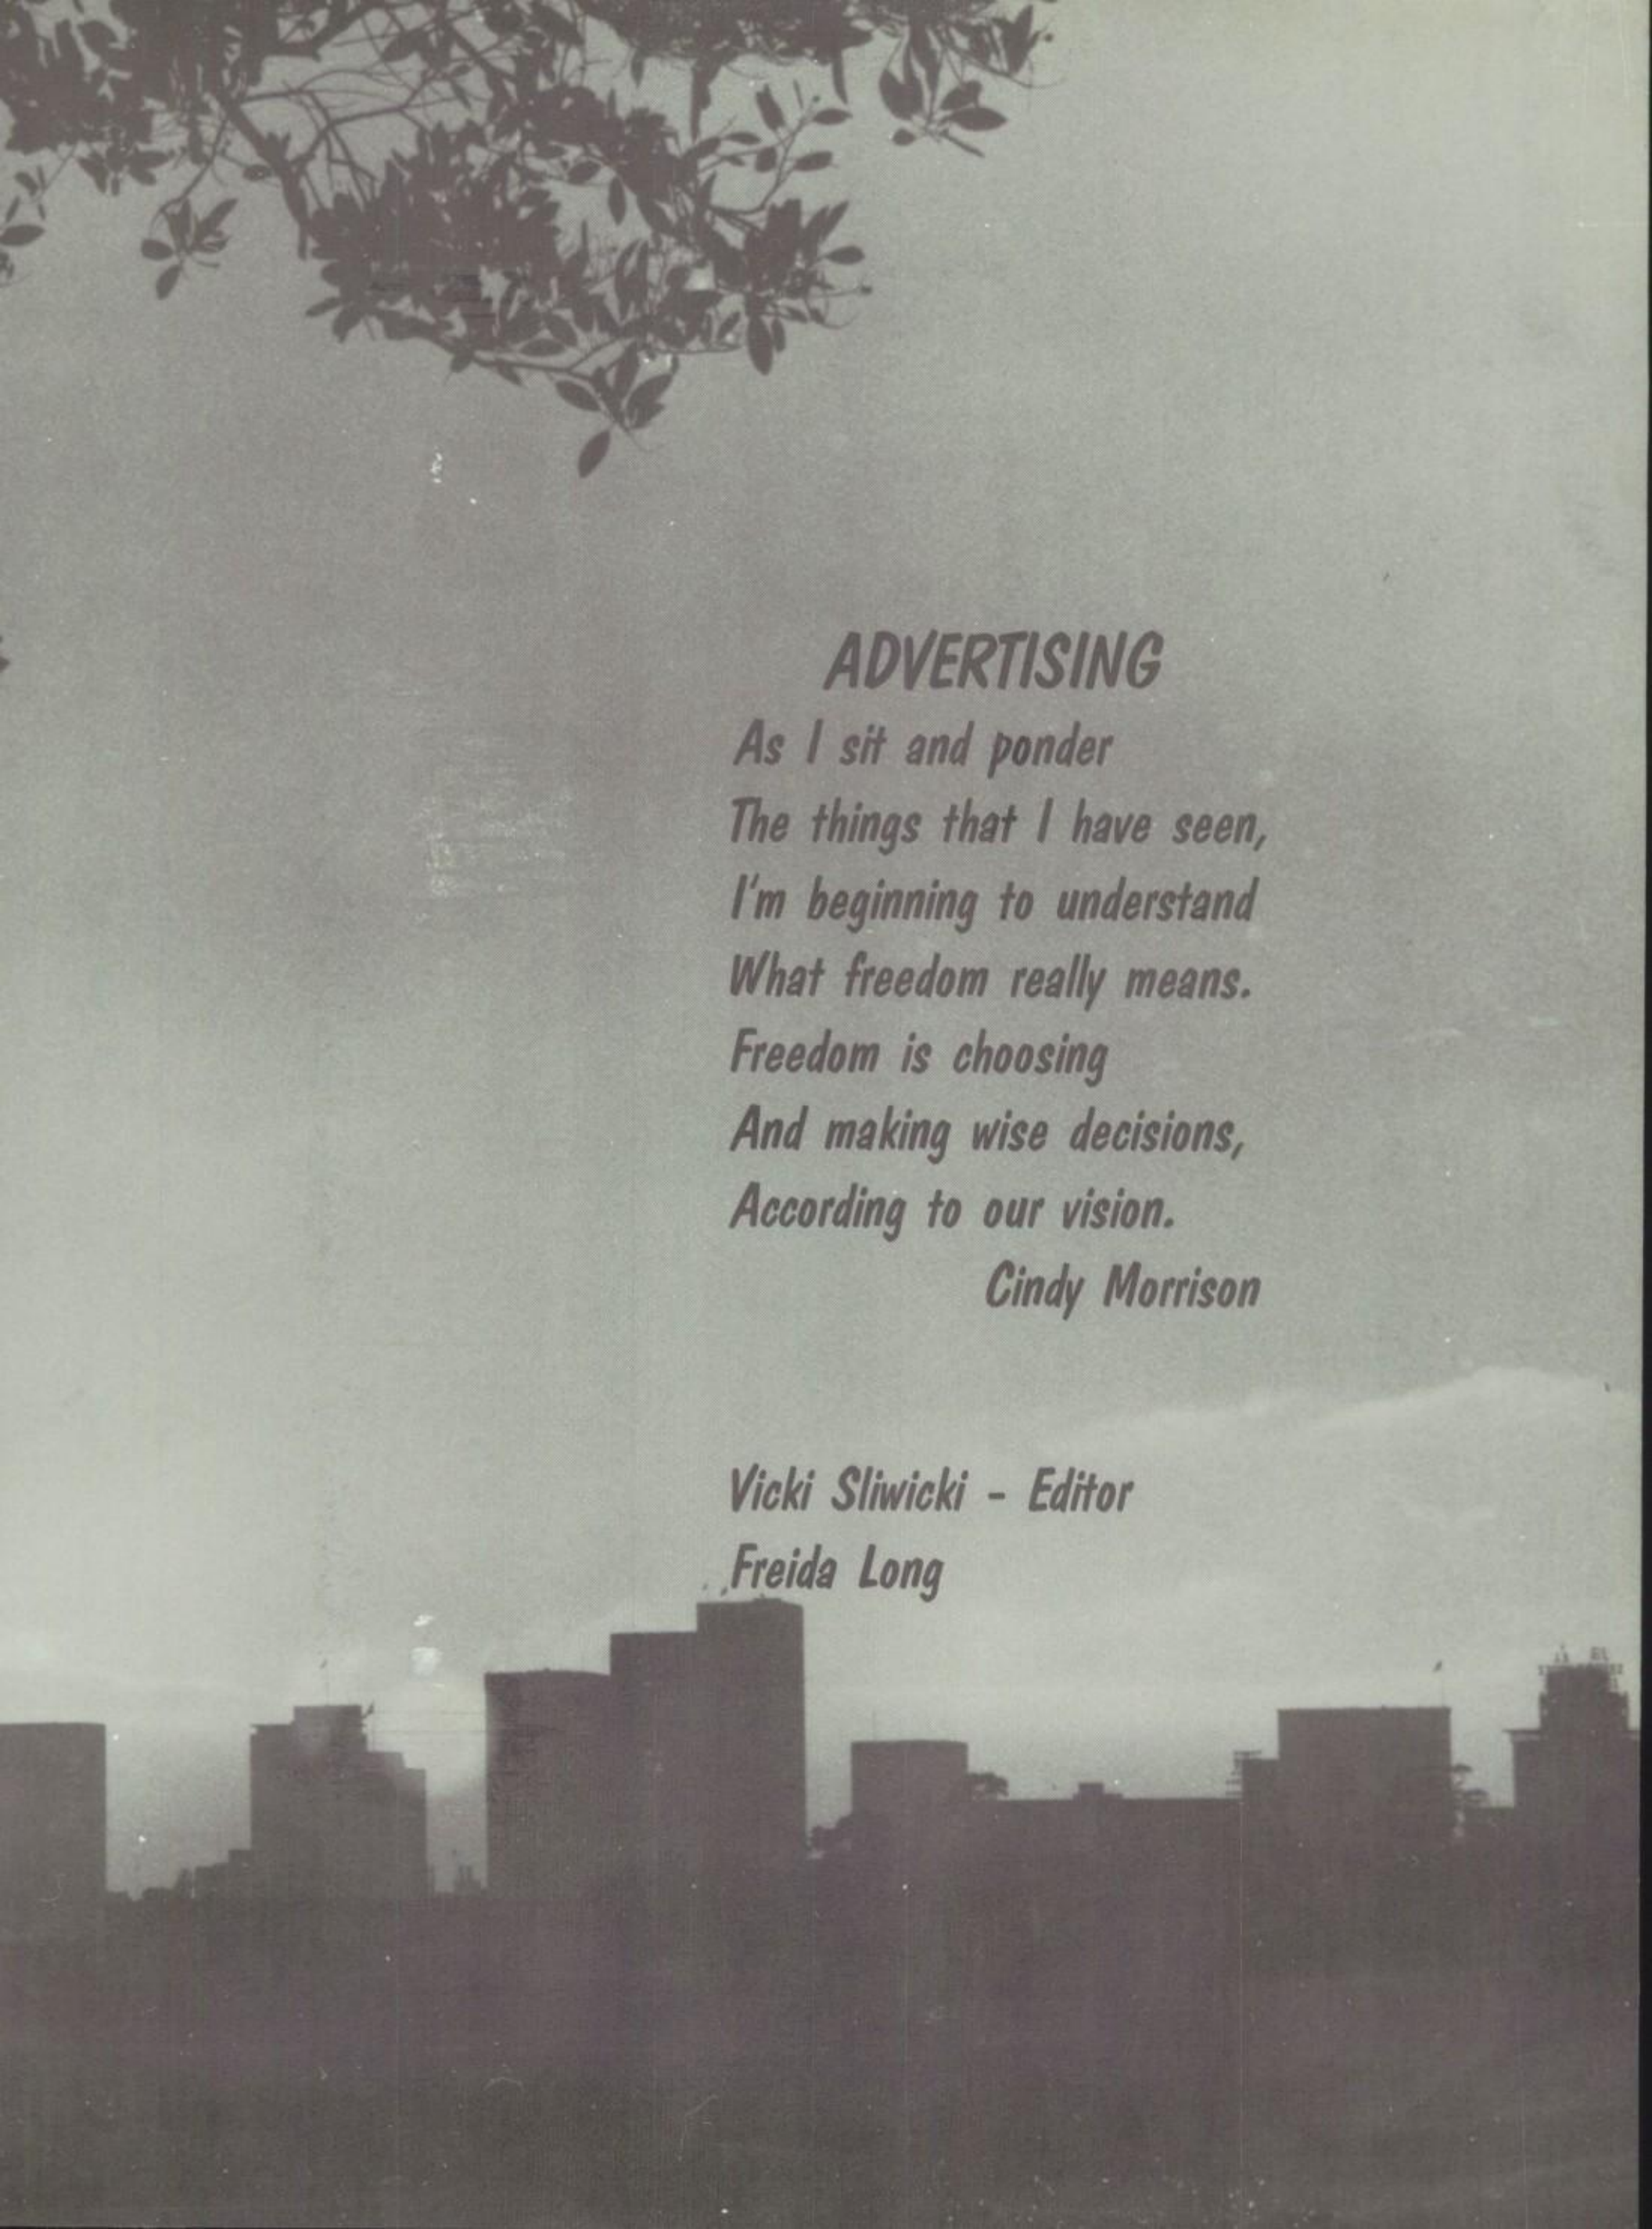

I have enjoyed all of the activities associated with Sweetwater High School and the young men and women who make up the student body. I wish for each of you a very happy and rewarding life."
